 4 The injury issues have grown  
 5 and worsen after the surgery and  
 6 as a pro-se litigant unfortunately  
 7 by my value calculation of the  
 8 serious injuries were underestimated  
 9 by my pro-se unexperience know-  
 10 ledge value of whole issues rela-  
 11 ting to the amount of this case  
 12 compensation which considering  
 13 the damages it is in my and others  
 14 opinion that I'm entitled to a more  
 15 calculated amount due to accordingly  
 16 the great amount of time the injury can last.
